Signature of Registered Landowner (if differen than applicant): \_\_\_\_\_ Date: \_\_\_\_\_

# Terms and Conditions

## Objective:

- To provide young tree seedlings for large plantings within Inter-Mountain Watershed District (IMWD); these plantings will provide environmental benefits to the area.
- Large tree planting projects can be expensive; IMWD is able to obtain cost savings by compiling all individual tree orders by buying in bulk.
- The landowner is responsible for preparing the site, planting the trees, and all maintenance of trees and site.
- Tree seedlings are 6-24 inches in height at time of delivery.
- Machines for larger plantings and plastic mulch applications are available for rental. IMWD also has larger trees available from the IMWD Tree Nursery for Municipal plantings (please contact our office).
- The planting site must be located within the Inter-Mountain watershed District. IMWD area includes:

Entire Municipality	Part of Municipality
City of Dauphin	Mossey River Municipality
R.M. Dauphin	Municipality of McCreary
Gilbert Plains Municipality	Municipality of Roblin
Grandview Municipality	R.M. Alonsa
Municipality of Ethelbert	R.M. of Lakeshore
Municipality of Ste. Rose	R.M. of Mountain
	R.M. of Riding Mountain West
	R.M. of Rosedale

## General Information:

- Orders for trees are taken up until the deadline (Feb. 28, 2024). Cash or cheque are the only accepted methods of payment upon pick-up at the specified IMWD location.
- No change in orders or refunds will be considered once the order has been placed by IMWD with our suppliers. Due to the nature of the tree nursery business, there may be instances where IMWD is unable to supply the order requested. In these instances, the purchaser can either take a substitution of stock of equal value or a refund. Orders are filled out on a first come first served basis.
- Tree seedlings are expected to be received between May 1<sup>st</sup> and May 15<sup>th</sup>. Seedling pickup dates will be determined by IMWD, and all applicants will be notified. Pick up will be arranged at the specified location on the application.
- Any seedlings purchased, but not picked up on the pick-up dates, will revert to the property of IMWD unless prior reasonable arrangements have been made. No refunds will be issued.
- **IMWD DOES NOT PROVIDE A WARRANTY ON TREE SEEDLINGS.**
- Applicant will indemnify and save harmless IMWD, their agents, engineers, servants and/or employees from liability that may result from this project.
- IMWD reserves the right for reasonable access to the project site for inspection and to promote the program.
