

BMP: COVER CROPPING | INTERCROPPING | POLYCROPPING

Up to \$100,000 for the program lifetime per operation

Activity 1: Cover crops underseeded with the main crop (intercropping) - 85% up to \$35/acre up to 160 ac up to \$5,600

Activity 2: Full-season annual and/or perennial cover crops in rotation - 85% up to \$50/acre up to 160 ac up to \$8,000

By initialling below, I confirm that the following are true:

This project is a new practice for my operation, or it is an expansion that I have implemented on new land/acres.
 I am not harvesting cover crops/all intercrop species for market.
 I will leave 6" of cover crop growth/stubble over winter.
