Terms and Conditions

Objective: IMWD will accept proposals for consideration as a Special Project. This program allows the district to consider projects with unique ideas and conservation solutions that do not fit into our current program listing.

Eligibility:

- Land must be within the Inter-Mountain Watershed District (IMWD) and the following subdistricts Fishing/Fork/Mossey, Garland/Point, Lower Valley/Mink Creek, Pine/Sclater/Duck, Upper Valley, Wilson River and Vermillion River.
- Applicant must be in good standing with the conservation district.
- Project must fit into the parameters of the district's mandate as determined by the conservation district.

The Conservation District shall:

- Review the proposal to determine eligibility and funding level.
- Determine project priorities in consultation with the board, sub-district and staff.
- Determine the level of technical and financial support on a case by case basis.
- Be granted access to the project site for inspection, planning and/or construction.
- Determine construction/maintenance responsibilities for the project.
- Develop a project agreement outlining the project details and responsibilities of the district and land owner.

The Land Owner shall:

- Provide access to the project site for planning and/or construction purposes.
- Not alter, change, remove or modify the project without written consent from the district.
- Adhere to the project details and responsibilities as identified in the project agreement.
- Contact the district upon a change in land ownership or rental.
- Grant the conservation district the right to use any information related to this project for education or promotional purposes.
- Provide reasonable access to the project area for inspection and promotion of the program.
- Indemnify and save harmless the Inter-Mountain Watershed District, their agents, engineers, servants and/or employees from any liability that result from this project.

General Terms and Conditions:

- All projects are to be approved by the IMWD prior to construction and are subject to available funding.
- All necessary approvals will need to be in place prior to construction.
- All engineering, technical services and/or financial assistance for project design, construction and repairs will be subject to availability of funding and/or staff. The IMWD reserves the right to establish priorities for providing such services and assistance.
- If either party fails to meet the responsibilities of the project, the agreement may be terminated by written notice.
- Failure of the land owner to meet their responsibilities may require him/her to reimburse the IMWD for any funds spent on the project and may negate him/her from other Conservation District programs.
- The IMWD reserves the right for reasonable access to project area after completion for inspection and to promote the program.

I hereby declare that I have read the conditions of this policy, and that I agree to abide by the terms of the policy. I further agree to cooperate to the fullest extent with the Watershed District Board/staff in completing and maintaining the project as outlined.
